- Custom base system configurations available - please contact Element Designs.
- Height (H), Depth (D), & Width (W) are the overall base system dimensions.
 - Exterior sectional dimensions are from outside edge to center line of first cross brace (H1, D1, and W1).
 - Interior sectional dimensions are from center to center of cross brace (W2, W3, and W4)
- Height (H) & Sectional Height (H1) is to bottom of leveling foot or castor.
- Use of casters versus leveling feet will add 2" to H & H1 minimums.
- Base system will ship sub-assembled with all required hardware.
- Attach assembled base system to cabinet with brackets, screws, or double sided tape.
- It is the responsibility of the customer to provide accurate dimensions for the production of Element Designs' base systems.
